STATEMENT REGARDING COVID-19

Dear Valued Guests,

The health, safety & well-being of our guests & staff remain the most important priority of Medicine Hat Lodge.

We want to assure our guests & employees that we have implemented a number of precautionary & preventive measures so that you the guest can feel safe while visiting Medicine Hat Lodge.

We continue to monitor information disseminated from Alberta Health Services & Health Canada regarding COVID—19. While Alberta Health Services continues to deem Alberta a low risk for COVID—19, Medicine Hat Lodge is reviewing policies & plans to ensure that we take all precautions to protect our employees & guests.

As precaution, Medicine Hat Lodge has enhanced sanitizing measures at our location which include additional hand sanitizing stations, sanitizing equipment & cleaning staff.

There is also increased cleaning frequency throughout the property, as recommended by Alberta Health Services & anyone with symptoms or feeling unwell should consider staying home.

As a source of information on COVID—19, we recommend that guests & staff refer to Alberta Health Services & Health Canada as an informed source of information.
